Why would it
be forbidden
to offer more
than one red
ribbon?

Why?
Well, err...

.....

After all,
the number
of flowers
doesn't lessen
their beauty,
now does it?

I
feared
for the
other
girl...

And
who...

decided
that rule?

See you later.

As long as you accept my feelings, that's enough for me.

I don't care if you throw it away after that.

Can you put me in a difficult position Right, Gakko?

Being on the receiving end of a love declaration...

The meaning of the ribbon's colour was decided arbitrarily.

But I never even thought about questioning that.

Why should we give the maidens only to our partners, if...

Why, indeed.

I have to return the flower to Asakura before Chiharu notices anything.

If Chiharu finds out about it, she's gonna be furious, so what can I do?

Can we meet at the usual place after school?

I went this close to acknowledging what Asakura said, but...

Err... Trash.

Okay, I'll study at the library then.

Ah... Gosh! Was there, now?

Did you know there was a friend about exchanging flowers?

You know, didn't you?

If you're really that old, wouldn't you have heard of it?

By the way, um, did you see the latest news bulletin?

Sent me, or are you hiding something?

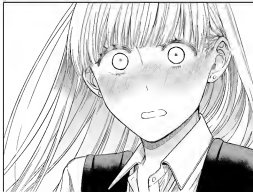

High...

YES, HE

THIS

I told her
we would
study to-
gether...

There's void
between her ears.
that's nothing new.

But this time,
I really wonder
what she's hiding

She was
close to
out of it

her phone
is off too

even long

Maybe
she's still
in school?

She's one

around
what's on
her mind?

So for her
to hide
something
from us
it can't be
anything
simple?

Like...

I saw her go
to the 1st floor
with Asakura
